

Windsor Building

Unique, purpose-built event facilities

The Windsor Building Conference Centre is our largest conference space. It comprises a 400 capacity state-of-the-art auditorium with a spacious and light two storey foyer and eight flexible breakout seminar rooms. The contemporary glass panelled walls of the foyer look out onto the iconic Founder's Building and flood the building with natural light during the day.

 For more information, call 01784 443045 or email sales-office@royalholloway.ac.uk.
